### CURBSIDE COLLECTION

### IF YOU HAVE EXTRA YARD WASTE...

Residential customers can drop off additional yard waste at 98 North Park Lane, next to the entrance of the Bethel landfill. Hampton customers can dispose of leaves, grass, limbs and additional tree debris.

### CURBSIDE COLLECTION SHOULD LOOK LIKE THIS...

Curbside placement is important because items are collected by different trucks and are taken to different facilities for processing. It's important to always place items curbside separately to help the collection process.

### FOR A NEATER NEIGHBORHOOD...

PLEASE OBSERVE SOLID WASTE CURBSIDE SET OUT LIMITS

Items should not be placed curbside earlier than 3 p.m. the day before your normal collection service. Refuse and recycle containers should be retrieved no later than midnight on your scheduled collection day.
